

WHAT INSECT AM I?

ACROSS

2. My favorite food is aphids.
7. I can lift 10 to 20 times my body weight.
8. I can sting repeatedly and not die.
9. The females drink blood for a meal.
10. I am an egg, caterpillar and chrysalis before I can fly.

DOWN

1. I like to feed on decaying food or garbage.
3. I eat mosquitoes and fly above the water with 4 wings.
4. I have 4 wings and collect pollen.
5. I can jump 20 times the length of my body.
6. To attract a mate, I make a 'chirping' sound by rubbing my legs together.
